Transporeon Opens New Headquarters in Singapore

JOC Staff | Dec 19, 2012 2:21PM EST

Mario Sander, Transporeon's new managing director of Asia-Pacific services.

Transporeon and Ticontract, two Transporeon Group companies specializing in e-logistics solutions, [has opened a new joint headquarters](#) in Singapore.

The company also opened in office in Philadelphia in October 2011. These expansions signal the next phase of extending the Transporeon's network outside of Europe, the company said in a written statement.

To handle business in Asia, Transporeon has recruited Mario Sander to be managing director of Asia-Pacific services. He has 20 years of supply chain management experience.
