II. Projects

§1 Performance

TRANSPOREON shall render the Services according to the contractually agreed standards and in line with the state of the art at the time of conclusion of this Master Service Agreement.

§2 Deadlines

- (1) Parties shall agree on any binding deadlines for Services in writing.
- (2) The deadlines will be extended by any period during which TRANSPOREON is prevented from rendering Services due to circumstances beyond its control and a reasonable start-up time after the obstacle. - (3) If mutually agreed deadlines have to be changed due to a fault of Customer resulting in additional costs for TRANSPOREON, TRANSPOREON is entitled to invoice such costs to Customer. TRANSPOREON will inform Customer in a timely manner in this case.

§3 Cooperation obligations

- (1) Customer shall promptly provide TRANSPOREON with all information required to perform Services, examine the results of Services without any delay and immediately report in writing any disruptions or defects with a description of all necessary details.
